KOMENTARI

- Malo više Alana Forda. 😊
- Zakon
- Meni je predavač jako zanimljiv, zato što super objašnjava i pristupačan je. Nije strog kao ostali profesori i uvijek se trudi sve nam objasniti na što lakši način. Samo tako i dalje profesore!!!
- Baš ste mi se svidjeli! Predavanja su zanimljiva tj. vi ih učinite poprilično zanimljivim! 😊
